Galileo's Group Newsletter

*We would like to say Happy Birthday to Alexis
and Evvy who celebrate birthdays this month:*

HAPPY BIRTHDAY!!

Waterplay

Starting July 6th, we will start a waterplay day show and share on Thursdays. The children can bring in one toy that they would like to play with in the pools. Please do not bring water guns, thank you.

July's Theme

July's theme is outdoor fun. We would like to transform certain centers in the classroom into a camping area, etc. If anyone has any old outdoor/camping stuff they would be willing to let the class borrow, we would greatly appreciate it.
