

Pasteur's Playmates

July 2017

Reminder

Make sure that your child has weather appropriate, extra clothes in their cubbie.

PBS Bucket Fillers

This month we will be talking about being a “bucket filler”. The theory of this is that we all carry an invisible bucket which represents our mental and emotional self. When we use actions or words that show we care about someone, we are “bucket fillers”. Not only did we fill that person’s bucket, but by our positive or kind actions we also fill our own bucket. When we do things that are hurtful or negative, we become “bucket dippers”. We will start using these two terms in our class so that the kids can stop and recognize their actions and decide if they are being a “bucket filler” or “bucket dipper”
