

AUGUST NEWS

Learning in August:

This month's theme is Transportation! This is usually a very popular theme, as there is so much to do, and lots to talk about! We will be talking about all forms of transportation from cars, to buses, to airplanes, to boats, to bicycles! If you have any books at home that you'd like to share with the classroom about transportation, we'd love to borrow them to read during circle time!

Important Dates to Remember:

- Open House August 8th at 6:00
- Parents'-night out August 25th at 6:00
- Last day of swimming will be August 31st

Happy Birthday!

Snapshots in the Classroom:

Top: Enjoying License plate making

Bottom: Friends washing their cars

Classroom Reminders:

- If your child is outside when you pick them up, please don't forget to come inside and check their cubbies before leaving.
- Our last day of swimming is coming up in couple more weeks, start collecting water stuff.

Welcome New Friends

Welcome our new friends!
