

JULY NEWS!

LEARNING IN JULY:

July already?! This month our theme is, "Outdoor Fun!" We will be learning lots about summer weather, nature, camping, sports, etc. We are very excited to get active and get messy outside as we plan arts, crafts, and different outdoor science experiments! As always, if you would like to come in to volunteer during art/music/cooking etc., please let Ms. Ashlee know and we can get something planned!

DATES TO REMEMBER:

- **Fourth of July** – Thursday, July 4th
- **Kona Ice** – Wednesday, July 17th
- **Mud Day** – Friday, July 19th

CLASSROOM REMINDERS:

- **MUD DAY:** WE GET MESSY! Please send extra clothes to school that you would not mind getting dirty/stained. Teachers will do their best to hose the children off as they leave, however we still recommend you bring a towel to protect your car. We also ask that you retrieve any items your child may have in the building BEFORE picking your child up that way we can avoid tracking mud into the building. *Remember:* This is a family event! ALL are welcome to attend! 😊

SNAPSHOTS IN THE CLASSROOM:

Left: A friend enjoys popping bubblewrap and listening to the sounds – just like fireworks!

Middle: We adore splashing in muddy puddles!

Right: Working hard to identify and sort different animals.

Below: We love the Lawrence Police Department! Exploring the inside of a police car and learning about safety is always a blast!

LITTLE BOOKWORMS!

Here is a list of our classroom's favorite books this month.
"You're never too old, too wacky, too wild, to pick up a book and read to a child!"

-Dr. Seuss

Leonardo and the Terrible Monster by Mo Willems

We Don't Eat Our Classmates by Ryan T. Higgins

Even Superheroes Have Bad Days by Shelly Becker

Llama Llama Misses Mama by Anna Dewdney
